

Free Gifts By Station

The greatest promotion since Barnum and Bailey took New York by storm will take place in Torrance this week as Camino Service Station opens its doors directly katty-corner from El Camino College.

Free Christmas trees will be given to anyone with the purchase of 8 gallons of Signal Gas (a major brand) at the new super service station.

Even the kiddies are taken care of. They can have free pony rides while papa and mama are refueling the car.

Anyone who doesn't want a Christmas tree may pick one of several other gifts:

Gifts offered in place of the Christmas tree include the following fireking items:

An ovenware deep loaf pan, ovenware casserole, and a nine-inch pie plate.

Also offered are two stainless steel spoons or two packages of cigarettes.

All purchasers will receive five cent redemption coupons with any gas bought. Coupons can be used for the purchase of nationally advertised appliances.
